Cumulative stress: What is it and how to safely manage it in law enforcement

While being a police officer has its own set of stressors, the pandemic has added additional strain to one's physical and more importantly mental well-being. Are you finding yourself giving so much to others that you have nothing left for yourself? When you have nothing left for your own life, you may shut out your own families and friends and seek isolation. Try as you might, separating your work life from your personal life is much more complicated. There are healthy ways to deal with the stressors and trauma of the job by utilizing the support systems in your personal life and enjoying your life away from work. In this presentation, we will identify and discuss the fallout of the 24/7 mindset of today's police officer.
